

OFF THE TRACK WA EVENT SPONSORSHIP CRITERIA

1. Purpose

Off The Track WA offers sponsorship to hundreds of metropolitan and regional WA equestrian events every year. The sponsorship is designed to encourage owners to enter retired racehorses in equestrian sports.

Sponsorship is available to all disciplines, highlighting the versatility of standardbreds and thoroughbreds as pleasure and competition horses.

OTTWA sponsored events are offered branded merchandise and prizeing for competitors, along with financial support to silver and gold level sponsorship where events include exclusive OTT classes. These sponsorships further support and promote retired racehorses in their careers after racing.

It is important that events advocate for high standards of animal welfare and have established guidelines for code of conduct aligning with Racing and Wagering WA's values (Respect, Accountability, Connection and Excellence) and commitment to our community.
